In re Application of: **Klaus GROHE**

Serial No.: **10/585,560**

Filed: **July 7, 2006**

Title: **WALL HOOK FOR A SHOWER ATTACHMENT**

**COMMUNICATION IN RESPONSE TO
NOTIFICATION OF MISSING REQUIREMENTS**

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

The Notification of Missing Requirements mailed September 24, 2007 requires submission of the oath or declaration of the inventors and a late Declaration fee. However, a duly executed Declaration with the required late Declaration fee had been filed just before such mailing, namely on September 21, 2007 by EFS upload. The Declaration and fee submitted September 21 are believed to meet all requirements of the Notification of Missing Requirements, which likely was in the process of being mailed when the Declaration was filed. Whereas the Notification was mailed after the Declaration was filed, applicant requests a further Notification if there should be some deficiency in the Declaration or fee as already filed.

Respectfully submitted,

Dated: November 16, 2007
